

Is Your Organization Reaching Its Potential?
Create Optimal Organizational Effectiveness With This Unique Program-

Winning The Mental Game Of Team Building™ The Peak Performance Team-Building Experience

Peak-performing teams reach more of their potential. They transform each individual's performance into a sustained optimal team effort. They ignite respect and trust through nimble, communicative systems so optimal cohesion is achieved. They have clear purpose, a high sense of mission and facilitate cooperation and elegant efficiency to aim at their ultimate goal-organizational success.

Your teams can do all this and more when they learn the mental game success strategies of world-class teams. This program gives you the systems top teams use to allow them to continually reach new levels of performance. **Winning The Mental Game Of Team Building** provides your teams with key optimal team process tools to help them reach their true potential. They will discover the power of the flow phenomenon- the performance zone that helps everyone perform to their potential. Winning The Mental Game Of Team Building gives you a master performance blueprint for realizing your organization's great potential.

For organizations that want a content-rich, practical and experiential program, **Winning The Mental Game Of Team Building** brings you insights from top coaches, executives and team leaders and how they craft powerful teams and keep them on the success track. You will understand the inner secrets of how vibrant teams work together in self-correcting all-the-wood-behind-the-arrow fashion until they seize victory. Your team will build a potent mental game toolkit of superior team skills that they will begin using immediately. Here are some of the powerful benefits they'll receive from this experiential and practical program:

- **Your teams will work through roadblocks that inhibit optimal organizational effectiveness.**
- **They will learn valuable lessons in change, conflict management and decision-making.**
- **Each team member will build on their strengths and minimize their weaknesses.**
- **Team members will learn how to manage their differences together, in a constructive manner.**
- **Better understanding and communication will be promoted among all team members.**

In **Winning The Mental Game Of Team Building** you will learn the inside success secrets that world-class coaches and executives use to motivate, perpetually energize and align high-impact teams with your organizational objectives and vision. You will craft a strategic plan for formulating your own special team culture to turn any group into a high-performing team.

Available as a breakfast, luncheon or dinner keynote speech, or as a half-day or full day interactive workshop, **Winning The Mental Game Of Team Building** can be fully customized for your group's needs. Organizations can use this program in retreats, meetings, off-sites and more.
